## Dear Sir:

In accordance with your instructions, we have examined the books and accounts of the American Antiquarian Society as at and for the year ended September 30, 1955.

Our work embraced a detailed check of the transactions of the year, a review and analysis of the accounts relating to the cash receipts and disbursements and to the purchase and sale of securities.

As a result of our examination, we have prepared the following Financial Statements:

## Exhibit "A"

Balance Sheet as at September 30, 1955

Statement of Fund Accounts as at September 30, 1955

Schedule
"A-1"
Statement of Cash Receipts and Disbursements
for the year ended September 30, 1955
"B"

In connection with our examination and the preparation of the foregoing Financial Statements, we confirmed the bank balances, by certificates received from the depositories which we reconciled with the books of account. All cash shown to have been received has been accounted for and we have examined vouchers and/or cancelled checks in support of all disbursements.

The purchases and sales of securities were supported by brokers' advices which we examined. The securities on hand at the year end were examined by us and are stated on the accompanying Balance Sheet at book values.

Yours truly, Harry W. Wallis \& Co. Accountants and Auditors
