

## *Report of the Treasurer*

The Treasurer presents herewith his report of receipts and disbursements for the eleven-month period ending August 31, 1962, including a statement of the Society's investments and a schedule of Fund Accounts.

With the increasing difficulty of obtaining final figures for the usual fiscal year ending September 30 in time for the Annual Meeting two weeks later, it seemed sensible to change the Society's fiscal year to the twelve months ending August 31. This was done with the result that the present report covers eleven months instead of twelve.

The present balance of the Purchasing Fund is \$5,393.43. The Bibliography Fund has been increased by the sale of Evans and Spear publications and by the generous contributions of two members of the Society in the amount of \$6,778.74 and the present balance is \$18,629.50.

The following amounts have been contributed for additional book purchases and current expenses:

## STATEMENT BY THE TREASURER

The total book value of the invested assets of the Society is \$1,183,990.37. These securities had a market value on August 31, 1962 of \$2,624,925.50, 77% of which was represented by common stocks and the balance by bonds and preferred stocks. Thus, these assets are now worth \$1,440,935 more than they were when received from donors or originally purchased for the Society (and approximately \$192,000 (6.8%) less than eleven months ago).

The income received from investments during the eleven-month period totaled \$87,166.25 representing, on an annual basis, a return of 3.5% on the market value of these securities as of August 31, 1962 (7.8% of book value).

It should be pointed out that the "Excess of Expenditures over Income" of \$12,054.13 appearing in Exhibit "B" above does not represent an operating deficit but rather reflects the expenditures made for the new lighting in the library from funds generously given to the Society during the 1960 fiscal year and designated at that time for this purpose.

MR. A. GEORGE BULLOCK, *Treasurer*  
AMERICAN ANTIQUARIAN SOCIETY  
WORCESTER, MASSACHUSETTS

DEAR SIR:

In accordance with your instructions, we have examined the books and accounts of the American Antiquarian Society as at and for the Eleven Months ended August 31, 1962.

As a result of our examination, we have prepared the following financial statements which are appended hereto:

Balance Sheet as at August 31, 1962	EXHIBIT "A"
Statement of Receipts and Disbursements for the Eleven Months ended August 31, 1962	"B"
Statement of Surplus Accounts for the Eleven Months ended August 31, 1962	"C"

Bequests and Donations:	SCHEDULE
Unrestricted	"A-1"
Restricted as to Principal	"A-2"
Restricted as to Principal and Income	"A-3"

In connection with its accounts, the Society has placed the assets underlying its Funds in the Trust Department of the Worcester County National Bank and the Income therefrom is being distributed on a unit basis to the various funds based primarily upon the value of the assets of each fund to the total of all the Fund Assets.

Our work embraced a detailed check of the transactions of the eleven months, a review and analysis of the Accounts relating to the Cash Receipts and Disbursements. The cash in banks was confirmed by a Certificate received from the Depository and the Securities held by the Bank and the purchases and sales thereof and the Income therefrom was confirmed to us by that Institution.

Yours truly,

WALLIS, RITTENHOUSE & COMPANY

Harry W. Wallis
