

Report of the Treasurer

INDEPENDENT AUDITORS' REPORT

The Council
American Antiquarian Society

We have audited the accompanying statement of financial position of the American Antiquarian Society as of August 31, 2005 and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Society's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative financial information has been derived from the Society's 2004 financial statements and, in our report dated October 7, 2004, we expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the American Antiquarian Society as of August 31, 2005, and the results of its activities and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to those basic financial statements taken as a whole.

AMERICAN ANTIQUARIAN SOCIETY
NOTES TO FINANCIAL STATEMENTS

1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The American Antiquarian Society (the "Society") supports and maintains a research library of American history and culture. The Society collects, organizes, preserves, and makes available for use printed and manuscript materials dating principally from 1639 to 1876. In addition, the Society provides educational programs, offers research fellowships, and produces scholarly publications.

Method of accounting

The financial statements of the Society have been prepared on the accrual basis of accounting. Accordingly, assets are recorded when the Society obtains the rights of ownership or is entitled to claims for receipt, and liabilities are recorded when the obligation is incurred.

Accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

Financial statement presentation

The Society presents information regarding its financial position and activities according to three categories of funds described as follows:

General fund - Resources principally for the general operations of the Society.

Plant fund - Resources of a property, plant, and capital equipment nature, as well as resources reserved for the acquisitions of such assets.

Endowment fund - Resources that are subject either to external donor imposed restrictions or to internal designations imposed by the Society's governing board, requiring that principal be invested, and spending of income and gains be subject to a prudent spending rule. Accumulated appreciation from funds so restricted or designated are also included in the endowment fund.

The Society additionally presents information regarding its financial position and activities according to three classifications of net assets described as follows:

Unrestricted - All resources over which the governing board has discretionary control. The governing board of the Society may elect to designate such resources for specific purposes. This designation may be removed at the board's discretion.

Temporarily Restricted - Resources accumulated through donations or grants for specific operating or capital purposes. Such resources will become unrestricted when the requirements of the donor or grantee have been satisfied through expenditure for the specified purpose or program or through the passage of time.

Permanently Restricted - Endowment resources accumulated through donations or grants that are subject to the restriction in perpetuity that the principal be invested. Investment income and appreciation may be either an unrestricted or temporarily restricted resource when earned, determined according to the gift instruments and relevant state law.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Society's financial statements for the year ended August 31, 2004, from which the summarized information was derived.

AMERICAN ANTIQUARIAN SOCIETY
NOTES TO FINANCIAL STATEMENTS
(Continued)

1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and cash equivalents

For purposes of these financial statements, the Society considers all unrestricted money market funds and highly liquid debt instruments with original maturities of three months or less to be cash equivalents.

The Society maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Society has not experienced any losses in such accounts. The Society believes it is not exposed to any significant credit risk on cash and cash equivalents.

Pledges receivable

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk free interest rate applicable to the year in which the promise is received. Accretion of the discount is included in contributions and gifts revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met.

Property, plant, and equipment

Property, plant, and equipment are carried at cost or at fair value as of the date of the gift. Depreciation is computed using straight-line and accelerated methods.

Investments

Investments in equity securities with readily determinable fair values and all debt securities are reported at fair value. Gains or losses on investments are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or by law.

Investment income is recorded in unrestricted assets unless its use is temporarily or permanently restricted by law or explicit donor stipulations.

State law has been interpreted to require that, unless explicitly stated otherwise by the donor, realized and unrealized appreciation on permanently restricted assets should be classified in a restricted net asset classification until appropriated for use by the governing board. Accordingly, based on the terms of the underlying gift instruments, net investment gains and losses of the Society are classified as temporarily restricted. The governing board annually establishes a spending rate from a total investment return to support current operations. To the extent that investment income does not provide this level of support, net investment gains are appropriated for operations.

Deposits with bank trustee

Deposits with bank trustee are reported at fair value. Gains and losses on deposits with bank trustee are reported in the statement of activities as increases or decreases in unrestricted net assets.

1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Bond issuance costs

Bond issuance costs represent fees and other costs associated with obtaining long-term financing. Such costs are being amortized on a straight-line basis over the terms of the financing.

Collection

As allowed by accounting principles generally accepted in the United States of America and following the practices of many libraries and museums, the Society has not capitalized its collection of items of historical nature and other related objects purchased or donated. The collection is held for public education or research in furtherance of public service rather than financial gain. The Society continually reviews its collection and may deaccess or acquire additional items. Expenditures for additional collection items are presented as a reduction in the appropriate class of net assets.

Contributions, gifts, grants

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor restrictions. Contributions may include actual gifts or promises to give. Such contributions are considered to be available for unrestricted use unless specifically restricted by the donor or grantor. Contribution of assets other than cash are recorded at their fair value on the date of the gift. Gifts of long-lived assets are reported as unrestricted support, unless specifically restricted by the donor. Time restrictions on gifts of long-lived assets, if any, expire when the assets are acquired. Restricted gifts or promises to give are required to be reported as restricted support in the period received and are then reclassified to unrestricted net assets upon satisfaction of the donor restriction.

Functional expenses

The expenses incurred to provide the various programs and other activities of the Society have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated to the programs and supporting services benefited.

2 - PLEDGES RECEIVABLE

Payments of pledges as of August 31, 2005 are expected to be received as follows:

2006	\$ 1,166,212
Less: Allowance for uncollectible pledges	<u>58,271</u>
	<u>\$ 1,107,941</u>

6 - LONG-TERM DEBT

Long-term debt consists of the following:

	<u>2005</u>	<u>2004</u>
Bonds payable, secured by deposits with bank trustee, interest due in monthly installments at variable rates (2.45% as of August 31, 2005) through June 2004, at which time varying annual principal installments ranging between \$2,211,051 and \$2,484,338 plus monthly interest at variable rates are due through June 2007.	\$ 4,963,029	\$ 7,039,103
Less: Current maturities of long-term debt	<u>2,478,691</u>	<u>2,211,051</u>
	<u>\$ 2,484,338</u>	<u>\$ 4,828,052</u>

Maturities of long-term debt in subsequent years are as follows:

<u>Year Ended August 31</u>	
2006	\$ 2,478,691
2007	<u>2,484,338</u>
	<u>\$ 4,963,029</u>

7 - RESTRICTED NET ASSETS

Temporarily restricted net assets are available for the following purposes:

	<u>2005</u>	<u>2004</u>
Appreciation on permanently restricted net assets available for appropriation under the spending rule	\$ 23,938,636	\$ 19,604,074
Expenditures for program activities	911,615	418,372
Expenditures for capital improvements	<u>416,909</u>	<u>341,059</u>
	<u>\$ 25,267,160</u>	<u>\$ 20,363,505</u>

Net assets were released from temporary donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of other events specified by donors as follows:

	<u>2005</u>	<u>2004</u>
Expenditures for program activities	\$ 249,702	\$ 432,244
Investment return designated for current operations	<u>1,843,994</u>	<u>2,053,956</u>

7 - RESTRICTED NET ASSETS (Continued)

Permanently restricted net assets are restricted to:

	<u>2005</u>	<u>2004</u>
Investment in perpetuity, the income and appreciation from which is expendable to support any activities of the Society	\$ 3,367,717	\$ 3,367,717
Investment in perpetuity, the income and appreciation from which is expendable to support specified program activities of the Society	<u>15,792,699</u>	<u>15,688,732</u>
	<u>\$ 19,160,416</u>	<u>\$ 19,056,449</u>

8 - RETIREMENT PLAN

The Society has a defined contribution pension plan which covers all eligible employees. The Plan is funded on a current basis and is administered by Teachers Insurance Annuity Association - College Retirement Equities Fund (TIAA-CREF). Retirement plan expense was \$115,918 and \$107,654 in 2005 and 2004, respectively.

9 - TAX-EXEMPT STATUS

The Society qualifies as a tax-exempt, not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax is required.
